

CHESTERMERE MINOR HOCKEY ASSOCIATION

HOCKEY DEVELOPMENT DIRECTOR

The Hockey Development Director is responsible for Coaching, Player, and Goaltending development of our players and coaches in our association. The Director may form a committee of members to help with this position

Hockey Development Director is a voting member of the Board and is required to attend regularly scheduled meetings and support the decision making process.

RESPONSIBILITIES:

- To create a unified training template for coaches in the CMHA
- Responsible for booking and organizing yearly clinics for the coaches, players and goaltenders currently playing in the CMHA
- Solicit and evaluate applications for Head Coach Positions for the Association
- Appoint a Head Coach for every team in accordance with the policy
- Book facilities for Head Coach meetings as required
- Provide direction and support for Coaches
- Hold clinics/meetings as required with coaches to disseminate information from CMHA and ensure issues and concerns are addressed
- Ensure coaches are directing their teams in accordance with HA, CAHL and CMHA policies and regulations
- Attend practices periodically to ensure that the players in the CMHA are developing in accordance with unified training template
- To keep updated on any development methods that may enhance the playing experience of all players currently in the CMHA
- To provide feedback and information to all goalies within the CMHA regarding training and development
- To facilitate a meeting with all goalies (individually) during the season to track development
- Assist level coordinators when needed
